

LTD Xtreme Rad - Leg

The LTD Xtreme Rad – Leg model is designed for lifestyle and rural properties delivering a peak heat output of 18kW to warm your home. The generous door glass provides the perfect flame view to enjoy on those cold winter nights. The unique firebox design offers longer burn times ensuring winter warmth, cooking and water heating are all dominant features of this model. Either a 3 or 4kW wetback can be fitted to assist with your water heating requirements.
